

Less engagement, less profit,

“30% (Engaged), 54% (Not Engaged), 16% (Actively disengaged)”

-Doug Buchanan, Associate Vice Chancellor for Human Resources – UMKS.

People are the lifeblood of companies. Having employees engaged, getting the best of employee’s skill, intellect and passion is the job of managers and business leaders.

How well are you managers and leaders doing at this role?

How well are they coaching?

COACHING FOR RESULTS – A BLENDED LEARNING MANAGER- COACH TRAINING PROGRAM

Based on the research and writings of Harvard Business School Professor Linda Hill, this program helps you learn how to effectively coach others by mastering five core coaching skills necessary for successful coaching. It also teaches you to apply a three-step process to coaching situations to maximize your effectiveness."

A Combination of on-line E-Learning and face-to face training sessions, these sessions equip your leaders with the confidence, skill and courage to produce breakthrough results.
